ORBIT STD

2 Passenger Circular Lift

The Orbit Home Lift is a circular, panoramic masterpiece designed for the modern home. Crafted with high-clarity polycarbonate glass, it embodies the “Quantum Motion” philosophy—seamlessly blending transparency, strength, and advanced engineering into a single, fluid experience.

Innovation :

360° Panoramic View: Curved glass panels provide an immersive, unobstructed visual experience.

Architectural Integration: A pit-less, machine-room-free design ensures seamless installation in any space.

Advanced Electric Drive: The gearless system delivers a whisper quiet, frictionless journey.

Compact Footprint: Engineered for luxury homes to maximize cabin space with a minimal profile.

ORBIT MICRO

1 Pax

FOR EVERY SPACE

Elevate your lifestyle without altering your floor plan. The Orbit Micro is our most exclusive 1-passenger masterpiece, engineered specifically for the intimate corners of the modern home. Combining high-clarity polycarbonate glass with a compact, premium finished frame, it proves that true luxury doesn't require vast space it requires perfect design.

Going SOLO
Going HERO

ORBIT MAX

3 Pax

LARGER THAN HERO

The Orbit Max is the spacious 3-passenger version of our signature circular home lift. Designed specifically for families, this model offers a wider interior that comfortably fits three people or provides extra room for a more relaxed journey.

APEX PREMIUM

6 Passenger home lift

Apex is a top-tier 6-passenger luxury circular elevator, built for home-owners who want a true centerpiece paired with Advanced Performance. Its premium cabin, powerful engineering, and stunning 360° design bring unmatched style and convenience to modern homes.

Innovation :

Luxury Cabin Size: Large, spacious circular elevator designed to comfortably accommodate 6 passengers per ride.

Superior Ride Technology : High-performance electric drive delivers ultra-smooth, quiet, and seamless movement every time.

Customizable : Designed to blend effortlessly with modern architecture. Our elevators bring a refined luxury look to every home.

Wheel Chair support : Its spacious cabin supports wheelchair accessibility, ensuring comfort for all.

NOVA MAX

6 Passenger premium

Nova is a premium home lift designed for families who value comfort and extra space. With its wider cabin, strong performance, and refined finish, Nova delivers a smooth, quiet ride that elevates everyday living.

Innovation :

Automatic sliding door: Nova's space-efficient automatic sliding door ensures a hands-free, effortless luxury experience while optimizing interior and exterior space.

EGSS : Advanced start-and-stop technology ensures smooth transitions between floors, minimizing jerks and delivering a calm, comfortable ride every time.

Integrated Modular System: A compact, all-in-one system combining controller, position sensor, and dual-redundant drive—engineered for superior reliability, precision, and long-term performance.

Spacious Cabin Design: A wider, thoughtfully designed cabin offers enhanced comfort for families, elderly passengers, and wheelchair accessibility.

NOVA STD

3 Pax

The Nova STD redefines premium accessibility by combining our most compact 3-passenger design with the sophisticated convenience of automatic sliding doors. Engineered for families who value seamless movement, this model offers effortless entry and exit without requiring additional swing-space, making it the perfect luxury fit for every home.

Customer Stories. Lasting Impressions.

Real experiences. Genuine trust. The Odyssey difference.

Hyderabad ★★★★★

“The circular design and transparent appearance give this elevator a very modern look. Its European technology and stylish design make it truly impressive. I absolutely love it!”

Chennai, Tamil Nadu ★★★★★

“No jerks, just a smooth and comfortable ride.”

“The elevator has so many safety features, which gives us great confidence.”

“It was a wonderful experience with Odyssey Elevators.”

West Bengal

★★★★★

“I connected with Odyssey Elevators, and their team got in touch with me promptly. We discussed everything and finalised the deal on the very same day. I’m extremely satisfied with the entire experience.

Bangalore

★★★★★

"Before choosing Odyssey Elevators, I had already paid an advance to another company. However, after learning about the technology and safety features offered by Odyssey, I decided to switch to Odyssey Elevators."
"You can always trust the CRM team and the company."
